JEALOUSY? NO!

I'm the lighting guy on this photo shoot, and I'm sitting with the editor who said I can help him write a description of the scene... First, I can't believe how amazingly gorgeous both of these ladies are. And their boobs and pussies are just as 'wow.' I like the way they lick each other's pussies and then put their fingers inside. And, to me, it looks like they have used vibrators before because they sure know what to do with them... I'm done? Why?

gentlemen calling

there was a mystery about Camille
and it needed to be solved

On the bed next to me, my girlfriend's still sleeping. I stroke my cock while I think of Camille. She and I work together at a large real estate office, in the Title Department. I'm twenty five and she's over thirty years but looks five to ten years younger. Camille started at the company a few years ago and is now the talk of the office. Not only for her looks, but for her mouth. That is to say, she apparently talks a lot of sex around the office and has yet to be reprimanded for it. I had only heard about it all second hand.

This day, she and I had to go to the county Records Office at the government plaza to pick up some records for a client. Almost as soon as we got in the car she started, asking me how my sex life was, how often I got laid, how many times I fucked women I didn't know, how many one night stands, and if I liked to play kinky sex games. For the next twenty minutes of the drive we

exchanged both real and, probably, made up stories. She said she played a lot of sex games with both men and women, and as long as it didn't interfere with her work, she was okay with it. I listened and said, 'Me too.'

Before going in, I decided to ask how these kinky sex sessions happen. She said that people who know people would call or text her with what they wanted and if she liked it, and felt like it, they would set up a rendezvous and engage. I joked, kinda like an exclusive sex country club? She found it amusing.

After completing our task, I called up my friend Josh after work that day and told him I had the inside info on Camille. We talked for a while and concocted a plan and the next Monday put it into motion. He would text her pretending to be an ex-participant and tell her that a new person was going to text her for a 'play date' as

she had called it. We thought that with enough inside information she would agree. And she did. I was that 'new person.' She and I texted back and forth to get the details worked out. At work I did not say a thing or give any indication it was me. It had to be anonymous. After all I have a girlfriend.

Saturday morning I got the message I was waiting for. Josh and I were going to show up with masks on at eight that evening. I called Josh immediately after the plans were finalized. A quarter to eight Josh and I park near her house and we cover our faces with masks looking like a couple past presidents. We'd dressed pretty simply so our clothes would not give us away, either. We decided, and agreed, that there was to be no talking on my part, so she wouldn't recognize my voice. He could talk, but not to say my name or too much else. We walked up to the house and rang the doorbell.

Camille was wearing a long flowing white gown-like thing when she answered the door. She looked amazing: tall and statuesque with full pouty red lips and long slender legs peeking out through slits in her gown. She led us into the living room where a hundred candles ringed the sitting area. In another room we heard voices, moaning and other muffled sexual-sounding noises. Was this an orgy or a swinger's party? She stopped in the middle of the large room, took off her robe and stood there totally naked in front of us. Her skin seemed like it was glowing in the candlelight and her pussy mound was hairless. Her boobs were beautiful, perfectly firm and big, with half-dollar size nipples. In a low sultry voice, she told us to strip, which we did in two seconds. The three of us are all naked now except for the masks Josh and I wore. She took a couple steps, sat on the sofa and took her mask from the side table and put it on. It was beautiful, like the Venetian paper maché carnival masks.

Camille extends her arms, one to each of us to come closer. I kept looking at Camille's naked body, as Josh made his way towards the sofa unable to hold himself back. He slowly leaned down and Camille wrapped her beautiful long thighs around his head as he slowly pressed his lips against her pussy. He kissed all along the outer edges as his tongue making circles around her clit. He slowly spread apart her pussy lips, his tongue diving into her, exploring it like it had a mind of its own. He ran his hands up her stomach, gripping her breasts, fondling them roughly.

She nodded towards me and I smiled as he slowly squatted over Camille, gently easing his cock into her waiting mouth. She let out a soft purr as she felt his cock touch her lips for a moment and move past them into her hot mouth. Her eyes shut as she felt his long, hard cock enter her causing her head to rock against it breathing hard as she did. Instantly her mouth was over his mushroom head, pulling and licking at it gently at first before becoming rougher and rougher. She moaned softly again as she tasted his warm precum in her mouth. Her tongue rolling around up and down the shaft like ice cream licks.

Then she lay down on the sofa, and Josh buried his cock into her pussy as he slowly slid his enormous manhood straight past her clit. He gripped her shoulders, and started to slam in and out of her. He growled softly as he plowed his meaty manhood in her hole. I couldn't take it anymore and went over and straddled Camille's face. She began by lapping the underside of my cock. She buried her face deep into my balls, tongue flicking at every twitch of them. Her hands gripped my butt cheeks tight, digging her nails into me as Josh pounded her harder and harder causing her to yelp with pleasure. She groaned while continuing to suck me nibbling on my cock with her teeth before attacking it with her tongue.

Josh reached out and gripped her full breasts, fondling her roughly as he continued to make hot rough love to her, his length sliding almost all the way out then slamming back into her. Camille growled out loud as his cock went harder and harder into her, causing her pussy to get wetter and wetter. Her body trembled as she tried to fight back another orgasm. She knew her body wouldn't be able to handle much more and she wanted to keep going but her body had other plans. Josh could tell that Camille was spurred on by his motions and that only caused him to pump his cock harder into her.

He says he felt her sugar walls tighten around him until she released her beautiful juices all over his shaft. With one mighty thrust, Josh plunged his cock deep into her pussy and let his cum burst forth, entirely coating her insides and causing their combination of love juices to leak slowly from her overflowing slit. She muffled her screams as she came and came. Her body quivering hard as

she hit her peak and dug her teeth into my cock and that only made me orgasm as well from the pleasure of her teeth. She then drained and swallowed all my cum.

I got off the sofa and took Camille by the arm and stood her up. I led her around to the back of the couch and bent her over it and waved Josh over. He rested the tip of his cock against Camille's soaking wet pussy. He pushed just the tip in between her pussy lips. He paused for a few seconds, maybe weighing his decision, and then switched holes and pushed his cock against her anus. Camille made a squealing noise, but pushed down on his cock too. They pushed like that,

back and forth, for a few seconds. Camille reached back and pulled Josh's cock back down towards her pussy. It slid in easily, right to the hilt in one stroke, and suddenly it was completely swallowed up. Then she pulled it out and put the tip of his dick against her butt hole again, and with a bit more pressure, he was halfway into her ass.

While this was going on, I sat down on an armchair and watched Camille's huge breasts sway as she was fucked from behind, bent over the sofa. She was gasping in ecstasy as Josh pushed all the way into her ass, and put his hands on her shoulders to pull her butt down on his cock harder. Camille came loudly, but still didn't speak. Her legs were shaking. She spun around and kneeling in front of him, leaned her head back and opened her mouth wide and Josh delivered.

her around and made her start sucking Josh's cock while she stood and bent at the waist. I got behind her.

She was so hot and wet, as I plowed her pussy for five minutes while she kept deep throating Josh. Then I stuck it in her asshole, all the way in one stroke. I thrust deep into her little brown star at least a dozen times, building the ecstasy and my orgasm until I was at the edge again. I shoved my cock deeper into her ass and gave her three hard, long and full thrusts, and then shot my second load deep into her butt. I pulled out and watched my cum drip out her backdoor, down between her buttcheeks and down her legs.

It's now midnight and we've exhausted ourselves. Sweat was running down our faces under our masks as we got dressed. Camille just sat on her sofa waiting

He unloaded a jet of cum across her face. She made a show of sucking his cock again, going at it while she waited for whatever came next.

And she didn't have to wait long. I took Camille's arm and brought her to my armchair, knelt her down in front of me and sat while she sucked my cock back to a full hard-on. Her deep throating was amazing, and I was ready for round two. I wanted to try anal with her, too. As soon as I was fully hard once again, I turned

for our departure. We headed for the front door and Josh said good-bye. I nodded and opened the door. When we got to the car, we must have sat there looking straight ahead for more than ten minutes before either one of us did anything.

Then we took off our masks revealing the biggest grins across our faces as we pulled out to head home; and just in time to see her inviting another masked couple into her house.

time to turn that page

"I've been having this queasy feeling in my stomach every time I'm around someone I like," I whisper to Mr. Morgan. I was only telling him this because I've known him since I was in grade school. I trust him enough to tell him anything I might be having problems with. Besides, he knows my parents perfectly well and I have a class with him. "My nipples harden every time I think of sex and my whole body gets goose bumps. Just like it was getting them right now." I quickly notice how Mr. Morgan was looking at me. He is my college prof in Economics and looks like a sophisticated banker: grey at the sides, and always dressed in a clean shirt, tie and vest.

All the nerves in my body were going off. I was tingling all over and throbbing with arousal—specially my breast and my pelvis. Was it me or was he nervous? He looks at me weirdly. And I smile, genuinely. My breathing was becoming too erratic; too uneven. I was having a panic attack. Immediately, he notices. I look at the door to see if it was open but I remembered that I had locked it and pulled down the blinds when I came into his classroom earlier. He grabs my hand and brings me in for a hug. My arms lay flat on his hard, yet comfortable chest as I lay my head there. "You'll be okay. It'll pass," but it wouldn't pass. At least not until I got what I needed.

He holds the back of my head and takes in a deep breath, kissing the top of my head. I cried for a bit as he kept comforting me. I was about to pull away, feeling better, when I noticed something quite odd. With his free hand, he was making small circles on the uncovered part of my neck and he was caressing my hair with the other one. It felt nice. I couldn't deny that. Heck, it felt amazing but that wasn't the only thing I felt, though. I felt something poking my stomach. Something hard but soft at the same time. I quickly

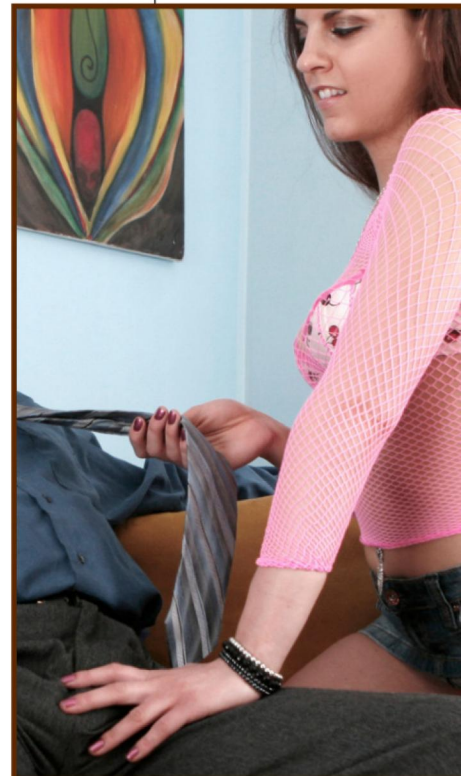

pulled away from him after that, blushing uncontrollably. "I shou-... Umm.. I should go." I grabbed my purse quickly, forgetting my jacket in the process, and left out the door. I stormed past all the freshman on the floor without looking back. Why didn't I confront him about it? I liked him, so why didn't I? I guess those were my hormones.

I imagined Mr. Morgan on top of me, or at least his hands, were touching me. I imagined his long, nimble finger was doing what I was doing to my little clit, bringing me closer and closer to cumming. I moaned again. I kept flicking my clit faster and faster. I shrieked, knowing how close I was to having my orgasm. I wet my finger several more times so I had better access to my small, hard nub. That's when I started to tingle all over with pleasure. My back started to arch and my legs began to twitch. Out of pure instinct, I closed my eyes and arched my back, spreading my legs out further as I felt my orgasm hit me like a big tidal wave of ecstasy. I felt sticky and tired, but I was still horny.

A few hours later, by the time school was over, I'm up in my bathroom taking a shower when all of a sudden the doorbell rings. I grabbed the towel and quickly wrapped it around my body and headed downstairs to open the door. I took a deep, nervous breath as I saw who it was. "What do you want, Mr. Morgan?" I ask. He walks by me and into the living room without asking or saying a word.

"I want to give you something. You forgot

I know it was my hormones that got the better of me that day. I didn't know how much Mr. Morgan changed my life.

your jacket," he says. "I know," chewing on my lower lip. There was a mischief in his eyes that didn't show in his face. "Here," he pushed it forward and handed it to me. I reach for it. "Thank you," I say. "I guess I should go," he starts.

"Yeah, you really should." I purse my lips. I look down at the floor. Then I hear him say, "Shelly, you should really learn how to deal with things – now. You might develop hang-ups later on," he said with a smirk on his face. I knew right there and then that he wanted to. I walked closer towards him and flirted right back.

"Come here," he whispers softly, grabbing me and leaning down as though to kiss me. I have been way too horny lately and this couldn't be stopped. Even if we both wanted to. His lips came closer to mine and just when I thought he'd kiss me, he grabbed my waist and turned me around. That made my towel loosen up a bit so I had to hold it in place. His hands made their way down to my legs as he holds me around the waist. I felt a cool breeze hit my ass cheeks and then breezed across my legs. I wondered what he was doing. Was he trying to get my towel down? He keeps touching all the naked parts of me, including my young butt. Whatever he was doing made me throb with arousal. It made my nipples sensitive and vulnerable to anything that might brush against them. Right then, cold air hit my breast followed by his cold hands. I felt my nipples being pinched.

His soft wet kisses traveled down along my neck as his tongue licked wherever it could. I placed my hand on the back of his head. I could feel his cock in between my ass cheeks. I push back against him grinding my ass against it. It felt quite hard. It also felt quite big. I felt it twitching as I kept grinding myself against it. All of a sudden my towel was yanked away and his fingers started probing my private area. I could feel his fingers touching me. I moaned as he touched my engorged clit and it felt really, really good.

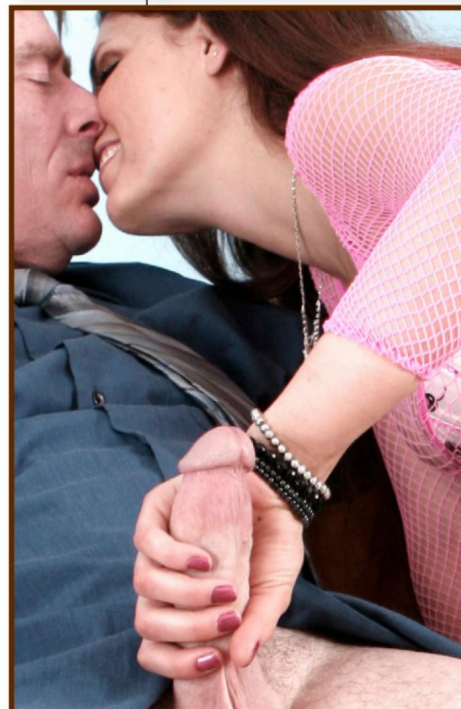

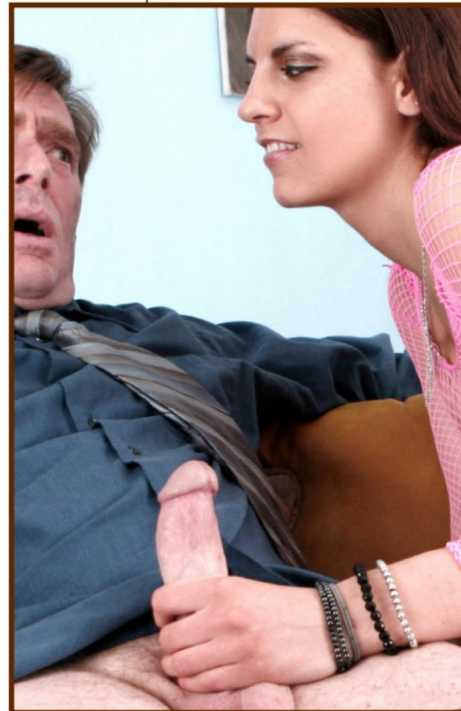

He took me over to the sofa and laid me on it and he slowly licked his way past my stomach to my mound. I yelped as soon as I felt his tongue part my pussy lips. His tongue found my clit, just below where I usually play

with it. One hand moves up to touch my firm breast. My whole body fired up like never before. My back arched up as I threw my head back. I moaned very loudly, holding the back of his head as my climax waned.

Then Mr. Morgan gets on top of me, straddling my body, and kissing me hard on the lips. He tasted of me and it only increased my ardor. I'm completely naked now so I began to remove his clothes as fast as I could. I pull down his zipper cautiously because I noticed the big bulge in his pants. I felt the impulse so I reached into his boxers. I grabbed his it and pulled it out. It was long and beautiful with a reddish-purple head. Perfectly straight, hard, and long. His balls were large and clung perfectly close to his cock. I wrapped my hand around the base of his shaft and squeezed. Slowly I pulled my hand up and shoved it back down, stroking him tightly several times.

I pulled down his pants and his cock sprang out. I rubbed the head and lowered my lips to it. I licked that little hole that was at the top his cock and then under the crown and all around the head. What I really enjoyed was the musty smell of his cock and the salty taste of his skin. I rubbed it against my cheeks while looking up at him. But before I did anything, he grabbed the back of my head, leaned down and placed his soft, puffy lips against mine. His hands roamed down to my boobs and squeezed. I proceed to give him a peck on the lips before crouching to take his cock into my mouth. At first I started out slowly, but then I did it a bit faster since his constant grunting and hair grabbing told me he liked. I licked as much of it as I could and took in as much of it as I could.

I reached behind and gripped his ass with

both hands to pull his cock deeper into my throat. I opened my mouth and he gave a few more thrusts before pulling out to let me breathe. Then I sat back on the couch dragging him along with me. He reached down to grab his cock as I spread my legs for him. My pussy kept clamping down on his cock as he entered me. He kept slowly penetrating me until all of him was inside of me.

Mr. Morgan placed his hands under my knees and raised my legs a little so that he could get on his knees. My pussy walls clamped down on his cock again as he kept thrusting in and out of me. His breathing was becoming heavy and his thrusting a bit faster. He leaned down again and let go of my legs. I positioned them at either side of him and felt him pumping faster and faster. Soon I felt my whole body getting hot and my pelvis getting in sync with his thrusting. I felt his cock thrusting deep into me every single second. I moaned loud as my body tingled with excitement and pleasure. I liked the way he pushed forward as fast and as hard as he could. All of this put together made me shudder with wave after wave of pleasure and ecstasy.

I enjoyed every second that Mr. Morgan spent with me and every single thing that he was doing to me. I enjoyed his big cock, his passionate kisses, and the way he was fucking me without stopping. I loved the feeling it was producing deep inside of me. My whole body was on fire. I dug my nails into his skin before I felt my pussy tightening around his cock. I buried my head on his chest as I climaxed once again.

As soon as I stopped cumming, he started but he didn't stop his thrusting. He just kept on going hard and fast, grunting all the way, until he was done spurt-ing his seed into me. We both hung on to each other, letting our breathing slow down before he so carefully pulled out. He backed off me and sat down. I composed myself and collected his clothes and told him to get dressed. I grabbed my towel and headed back for another shower.

I'm on my way to the stables for my daily ride. My favorite horse has been groomed and saddled for me. I love the feel of his hard, muscular body between my legs. But first, Nick is here to give me the last of my riding lessons. He says it's a must to build up my thigh muscles so I can grip my ride hard.

JENNY BLIGHE

I'M ON FIRE

With auburn hair that looks like autumn leaves kissed by the sun, and legs as long as a pervert's rap sheet, Jenny's the next "big thing" in adult entertainment. "Don't say that! It puts too much pressure on me," Jenny says. "I'm just a simple girl who loves sex. If I can make people happy by getting naked and having sex, then it's a win-win situation for everyone." Hell yeah, Jenny! Speaking of pressure, our balls are bloated beyond belief.
